

Safe Ship RFD

You can open your very own Safe Ship RFD Franchise Store in as little as 90 days.

Our Safe Ship RFD Franchise store is designed to replace the services provided by your local post office and bring in professional packing services, along with shipping services from UPS, FedEx, DHL, Greyhound GPX and complete freight receiving and shipping , where available..

Your Safe Ship RFD Rural Store

Location and Lease Assistance

You will choose a town or city location where you would like to locate the store. SAFE SHIP will work with the landlord to secure the best deal in the best location for your store.

The lease will be negotiated using the franchisees personal information and credit. SAFE SHIP does not counter sign or act as guarantor on leases. SAFE SHIP does NOT finance franchises.

SAFE SHIP will use their best efforts to negotiate the lease for the chosen location. If in its opinion the lease cannot be negotiated to a point where it would make a feasible business location, SAFE SHIP will find another location.

Incorporation and Business Licenses

Franchisee will pay expenses incurred in providing basic incorporation services for franchisee and will obtain Franchisees Federal tax ID number, state sales tax number and local business licenses. Franchisee will act as his own agent for process of service.

Insurance

Franchisee will procure basic liability and hazard coverage in the franchisees name. Safe Ship will advise the normal coverage needed.

Utilities

Franchisee will establish utility accounts in franchisees name for heating, electric, telephone, cable internet and local services.

Exterior sign

SAFE SHIP will pay for exterior signage for franchisee's location. Signs will be based on lease and local zoning requirements. If a monument or pylon sign is available at the roadside, SAFE SHIP will pay up to \$500 for panels for this sign which is included in the Mini-Store option.

Copier

SAFE SHIP provides the franchisee with one Konica 3022 B & W copier (or equivalent) capable of duplex copying, printing, scanning, and faxing. The copier will be a standard copier with an automatic document feeder.

Training

Franchisee will be scheduled for training at the corporate store prior to store opening. Training will take place from 1 – 3 weeks before the store opens. Training will be held the first full week of every month.

Build out

Franchisee will arrange for and pay for the franchisees store build-out. This will include painting of all walls white, installation of slat wall, carpeting or floor finishing, including cleaning or any changes required to store layout to pass local inspections. Safe Ship will provide the specifications for all needed items.

SAFE SHIP will provide and install all striping, decals, logos, and windows. SAFE SHIP will provide posters, shelves & brackets for the slat wall. Everything in the following list. SAFE SHIP will provide all stock as detailed in the list below to ready the store for opening.
